

OOPS Activity Planning Worksheet

Revised 02/15/09

Title: Deception Pass day 2		Type of Activity: Trip		Date(s): July 13, 2009	
<p>Narrative description: This is day two of two days at Deception Pass, Monday 7-13. Sign up for one or both days. For this trip, the plan is to launch into the building ebb in the morning and cross over to Deception Pass, to take a look at it on the ebb. There is flexibility in the day, and if the group decides that Canoe Pass is more to our liking, then we can cross back over. Deception Island can add a nice element to the trip if desired. This will build on Sundays trip, with slightly higher currents and in the larger area of Deception Pass. Both of these days together would be a great weekend for someone who is new to Deception Pass, has a pool roll and is looking to expand thier boathandling skills in dynamic waters. As with Sunday, some informal instruction is available. Helmet and towline required.</p>
